

Congratulating Sue on her winning the Christina Hughes Starfish Award for 2005 Mentor of the Year are her husband Dave, counselor Amelia Butler and third grade student Jonessa St. Lewis.

Sunbelt's Star!

Please join me in congratulating Sue Basham on being recognized as 2005 Mentor of the Year for the Douglas County School System. Sue is currently serving as a mentor to Jonessa St. Lewis, a 3rd grader at Annette Winn Elementary School. Sue has mentored Jonessa for the past 4 years. The commitment and dedication Sue offers Jonessa are the same qualities that make her an outstanding employee here at Sunbelt. We're proud to have her represent Sunbelt within our community and equally thrilled that she won this coveted award!

Congratulations, Sue ! You deserve it!
